

The Lazy Project Manager

Productive Laziness

Looking For Real Life Project Management Training?

Bored with Project Management Theory?

Need to Improve your Project Management Skills?

Are You Seeking a better Work/Life balance?

www.thelazyprojectmanager.net

Welcome to 'The Lazy Project Manager's' Productive Laziness Training Program

With this project management training course you can learn more about productive laziness and how you can apply a number of simple techniques and approaches in your own projects to make your life a whole lot less stressful.

'Progress isn't made by early risers. It's made by lazy men trying to find easier ways to do something.' Robert Heinlein (1907 - 1988)

The Lazy Project Manager

Productive Laziness

Learn how to be twice as productive and still leave the office early!

The major project topics will be covered but from a 'Productive Lazy' point of view.

Lazy does not mean Unsuccessful. I am a **Lazy Project Manager**. You can carry on as you are or you can join me in the comfy chair of life and still get the project results you and your sponsors demand.

So, what's it all about?

The Lazy Project Manager book is all about working smarter and not harder and is built on 26 years of real project experience (good and bad) and guides the reader with top tips for being more productive along with real stories of hard learning experiences.

The book is an international best seller and now The Lazy Project Manager has developed a project management course to further aid would-be 'lazy' project managers.

Whether you are already a fan or you are a newcomer to productive laziness this course will help you be a better project manager.

Twelve modules will guide you on the path to productive laziness, from project initiation through to project closure.

The course mixes audio/visual sessions (with The Lazy Project Manager himself) together with practical workshops to provide the ultimate blended learning experience.

This is truly a unique project management education experience that you will not find anywhere else.

'Progress isn't made by early risers. It's made by lazy men trying to find easier ways to do something.' Robert Heinlein (1907 - 1988)

The Lazy Project Manager

Productive Laziness

The course is made up of 4 Programs taking you through The Art of Productive Laziness and the full project lifecycle.

Online project management programs just don't get much better than this.

You can even top off the experience with a motivational session with The Lazy Project Manager himself.

You will:

- Discover the world of productive laziness; the science, the intelligence and the focus of productive laziness
- Experience practical guidance on how to improve your project management skills; fast
- Learn how to better manage your own time when managing projects

'Progress isn't made by early risers. It's made by lazy men trying to find easier ways to do something.' Robert Heinlein (1907 - 1988)

The Lazy Project Manager

Productive Laziness

Peter is a dynamic and commercially astute professional who has achieved notable success in Project Management; currently as head of a PMO at Siemens PLM Software supplier of global product lifecycle management solutions. He is also very interested in maintaining a good work/life balance.

His background is in project management across three major business areas over the last 26 years, MRP/ERP systems with various software houses and culminating in a role with KPMG, Business Intelligence with Cognos, and now within product lifecycle management (PLM) with Siemens. He has spent the last 7 years leading PMOs and developing project managers.

He is also an accomplished communicator and leader and is a professional speaker, as well as the author of '**The Lazy Project Manager**'
